

MSA BASEBALL
41 Reservoir Ct.
Carmel, NY 10512

July 2024

Dear Sponsors,

I would like to take this opportunity to thank you for your continued support of the MSA Baseball Program. As a not for profit organization, your contributions help us immensely in providing a solid youth recreational baseball program for the children of Mahopac.

We are currently in the process of preparing for the Fall 2024 Baseball season and have opened up registration. Along with registration, we look to secure our sponsors for the Fall 2024, Spring 2025, and Fall 2025 seasons. As part of your sponsorship, we will have a 24" x 36" metal sign customized with your company's logo and hung along the fences at Jimmy McDonough/Crane Baseball Fields and/or the Sycamore Park Softball Field. A link to your business will be displayed on our MSA website as well.

Our sponsor fees have not changed. \$250 for new sponsors for one field will cover you for the Fall 2024, Spring 2025, and Fall 2025 season. ****If you would like to have signage at both fields, the cost is \$400.** The yearly renewal cost for sponsoring a team is still \$175 for one field, \$250 for both fields.

Should you have any questions, please do not hesitate to contact me at cbda@comcast.net.

Once again, thank you for your continued support. Our program relies on it and appreciates it greatly.

Regards,

Diane Browning
President
MSA Baseball/Softball

MSA Baseball 2024
Sponsorship Form
